Race/Safety Duty

Each member (or adult family representative) has an obligation to serve at least twice each year on CLSA Race/Safety Committee. Please indicate your preferred dates. Those indicating no preference will be assigned randomly. Your scheduled shifts will be posted on the CLSA website. If you cannot be present for your assigned duty, please arrange coverage with another qualified member and notify your RC Chair.

Date #1	Date #2	Date #3

Please indicate below any dates or time period during which you cannot serve on Race/Safety Committee:

Work Party and Committee Sign up

Each full and young adult member is expected to serve on TWO work parties per year. Associate members are expected to serve on ONE work party per year. Youth members and participants in youth sailing programs will be expected to participate in TWO work parties, which will be scheduled and managed through the youth training program. This process helps us to maintain the club and facilities in an affordable manner, and also is a great way to get to know your fellow club members. Please indicate your preference as 1, 2, 3 etc for the listed work parties. We will attempt to balance preferences with team needs as much as possible. Special note: **Organized lift work parties do not count towards the club required work parties – they are for the sole benefit of lift owners.** If you cannot be present for your assigned duty, please arrange coverage with another member and notify your Chairperson.
